Bertie Aldura Woolf was born 24 Sep. 1880 in Hyde Park, Cache County, Utah. She was the 2nd daughter of Celia Ann Hatch and John Anthony Woolf II.

Bertie had beautiful brown eyes and dark curly hair. Her young years were pleasant and happy. She learned to share and love all she had with her half sisters and brothers who lived in part of the home in Hyde Park.

Many responsibilities were given her at an early age, such as fine stitching, knitting, gathering fruit, milking cows, churning butter and scrubbing bare floors. She was patient and very kind. Bertie was of quiet and serene disposition, very devoted and responsive to her duties. She attended Primary and church in the big rock house, and was very active. She had a brilliant memory and could learn very easily. She taught “religion class” and also Primary.

She married John Alfred Bake, 14 July 1901, at the age of 21. They lived in Hyde Park in a humble little cottage, which she kept immaculately clean. She was a good cook and homemaker.

2 children were born to the union: Arta, born 21 Oct 1901, and Wanda, born 26 June 1903.

On 16 March 1904 Bertie became seriously ill with double pneumonia and passed away 23 March 1904, leaving a loving husband and 2 babies. The funeral was in Hyde Park with Burial in the Hyde Park Cemetery.
